Dear Laura:

This correspondence is in response to your request for additional information regarding the Federal Escrow Account transfer reported on the 12 Day Pre-General Report, for the period of 10/01/10- 10/13/10.

The fund in question were originally reported as a disbursement to FLS Connect on January 31, 2009, in the amount of \$145,273.31. This payment was subsequently voided in February, 2009. These funds were recorded in the Federal Escrow Account. The voided check and the associated funds should have been reported on the March 2009 monthly report. This report, and all those following it, will be amended and re-filed as soon as possible to reflect the void.

Due to the change in accounting staff in April, 2009, the purpose of the transfer of funds to the Escrow Account has not been determined. These funds were left in escrow because it was assumed that they had been reported as a transfer to the Escrow Account prior to the current staff's employment. The transfer from the Escrow Account was reported on the 2010 - 12 Day Pre-General Report. That report, and all subsequent reports will be included in the amendments to come.

Please let me know if you have any additional questions, or need any additional information.

Sincerely,

Sincerely,
